List Of Debt
List out all of your debt below from the smallest total amount to the largest total amount. Then start paying off the smallest debt first. Under Monthly Debt Payoff Pmnt add how much you plan to pay on each debt per month. Only pay $\$ 10$ over the minimum for each debt not listed first. Then pay as much extra as you can afford on the debt listed first.

| Debt Name | Monthly Due Date | Monthly Debt Payoff Pmnt | Interest Rate | Minimum Pmnt | Total Debt Amount | Additional Notes |  |
